2024 GRANT GUIDELINES

About Women United in Philanthropy

Women United in Philanthropy (WUIP) is New Jersey's first women's giving circle. Since 2004, we have awarded \$1,220,000 in grant funds to programs that address chronic problems impacting women and families in Bergen County, NJ. In 2021, Women United in Philanthropy joined forces with Women's Foundation of New Jersey (WFNJ). This merge has expanded our mission to provide needed funding to essential programs that empower women and their families.

Grants awarded by the Women United in Philanthropy giving circle are unique because they consist of funds exclusively contributed by our members. By pooling our philanthropy, we are able to collectively make a larger impact on the lives of women. Our members vote annually to award funds to an innovative project in Bergen County, NJ, that helps women become economically strong and independent.
